

Volunteers Needed for Our 2nd Annual International Day!!

During Read Across America Week, Joyce Kilmer will host an International Day for students throughout the school day as well as during our Read Around the World Literacy Night on Thursday, March 2, 2017.

International Day is a day of fun for all, during which we celebrate the diversity of cultures and nationalities making up the Kilmer community. This is a wonderful opportunity for families to come and share their cultural customs and traditions with our school community in a celebration of internationalism and intercultural awareness. Our goal is to celebrate diversity, build social awareness, and respect for all.

We need your help parents! We are asking you to create a small station that highlights the unique aspects of your home country. The students will visit the stations and learn about various cultures and customs. Your station should include a picture of your country's flag, fashion, photos, souvenirs, currency, a natural resource your country may provide and any other artifacts that highlight important aspects of your county. Be prepared to speak about your items in small groups.

We would appreciate the help of our parents in making International Day a success. If you are interested please complete the bottom and return to your child's teacher no later than February 21st.

If you have any questions feel free to contact Mrs. Meola at hmeola@chclc.org or Mrs. Martin at jmartin@chclc.org.

Respectfully yours,
Character Education Committee

Student's Name & Teacher: _____

Parents Name & Email: _____

Yes, I would like to participate. The country I will represent is

_____.

I can attend the following sessions:

Day Session 10:00-3:00 Night Session 6:00-8:00 Both Sessions
