September 2015

Dear Parent/Guardian:

Welcome to the Joyce Kilmer Elementary School Title I Program for the 2015-2016 school year. The purpose of a Title I Program is to increase the educational opportunities for the students being served by providing additional supports to help them achieve success. Title I Programs have the same high standards as all programs provided in the Cherry Hill Public Schools. **Title I is not a label and does not follow your child, it is an opportunity for them to participate in additional supports and services to help achieve success on state standardized tests and in school.**

Your child has been selected for Title I services. Selection of students into the Title I program is based on the following criteria:

1. Student performance on state assessments
2. Student performance on district and classroom assessments predicated on board approved curriculum
3. Teacher recommendation

Utilizing the student's cumulative performance from the preceding criteria assists teachers in determining which students will benefit from the Title 1 Program.

Enclosed you will find additional materials further explaining Title I services. If you have any questions about Title I or these opportunities please contact our school's main office.

Sincerely,

Mrs. Rebecca J. Tiernan
Principal
