

Dear Kilmer Community:

During the past week, I have visited a number of classrooms. I stopped in one of our first grade rooms and the children were excited to show me their three complete sentences (about themselves). They had worked very hard to make sure they were using capitals and periods! Our fourth graders are busy designing cereal boxes during Art encore time. The initial drawings were creative, eye-catching and often funny. I can't wait to see the finished projects! Many of our classes are "adopting" class constitutions in honor of Constitution Day created by the students with their teacher's support and guidance. The constitutions demonstrate the students' voices and reflect their willingness to be part of a community.

We are all looking forward to seeing you at Back-to-School Night on Thursday, September 27. We'll begin our evening at 7:00 pm in the All Purpose Room. Our Title One Parent Information Evening will occur on the same evening (9/27) at 6:30 pm. We'll meet in the Library. Remember to check out the art work displayed in our hallways when you visit---the self-portraits and "all about me" displays will bring a smile to your face. Each time I read one—I smile!!

Sincerely,

Betsi McLeester
Interim Principal
